

WESSEX FANTASY FOOTBALL UPDATE

This is our final update of the Wessex Fantasy Football 2007/08 season. The final week has now passed with the completion of the play-off finals and I have added the end of season bonus to all your teams. A full list of the end of season bonus winners is listed below in this update.

Our 2007/08 winner is Norfolk Reds who have taken the £200 top prize. However it couldn't have been closer and Norfolk Reds only won the competition by 1pt from Welruci who get £100. In third place and the winner of £75 is Livy FC. In bottom place and the winner of the £50 for finishing in bottom place is Always Last who finished a massive 177pts adrift at the bottom.

So that is the end of this season's Wessex Fantasy Football competition, all that is now left for me to say is a massive thank you to all of you who have taken part. I will of course be running the competition again next season, it would be great to see a lot more people enjoying this great competition, so make sure when the entry forms come out you pass them around your friends.

Please Note - The end of season prizes will be paid out during the first three weeks of June 08.

Have you started planning for next season yet, because in the middle of July 08 the entry forms for Wessex Fantasy Football 2008/09 will be out! That's only six weeks.

All of today's information on the competition is up to & including Monday 26th May 2008
